If I feel stressed I can use
the sensory den equipment.

The sensory den is a calm and quiet space where I can take some time if I need to.

I can sit in the sensory den.

There is lots of equipment
I can use.

I can use ear defenders
if it is loud.

I can use a timer to
help me take a break.

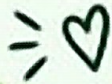

I can use picture cards
to help me communicate
how I feel.

I can use the sensory
wall activities.

I can watch the
bubble panel.

It's okay to take a break!

My Visit to Pets on the Green

When my session is finished, I say goodbye to the animals.

Once I am finished, I wash my hands.

Thank you Pets on the Green!

I did a great job!

I can pick a sticker!
